MISSION

The aim of Just Love & Kindness is to promote the development of young people, veterans, and the forgotten, underserved members in our society to achieving their full physical, intellectual, social, and spiritual potential.

JLK.org is a 501(c)(3) nonprofit, 100% volunteer based with all proceeds remaining in the Ark-La-Tex, and relies solely on the generous support within our community to secure, promote, and fund many different programs and initiatives. Each program or initiative is funded with the knowledge that our goal is to get to the kids before they get into life altering situations. Additionally, we also support Veterans and the under served community (homeless). We are diligent in our efforts, and we are seeking more volunteers and partners to assist us in reaching more people and changing their lives for the better.

FUNDRAISERS & EVENTS

Our annual golf tournament is held in September each year; this is where we raise the majority of our donations. We spend the entire time throughout the year and into the next year searching out programs and creating initiatives that benefit children. We work with TAPD Pride Academy, TTPD Heroes & Pros, Bowie County Juvenile Probation, Why Try Program, TASD STEM, Community Closet, FFA, North Heights, and many more causes on a case-by-case basis. We quietly work with people who need essential support. If you know of a cause that needs support, please let us know. We would love to speak with you.

GIVING OPPORTUNITIES

Donations are always appreciated and easily submitted via our website or by mailing a check to our address. We graciously accept monthly and one time donations. Other opportunities of giving include Giving Tuesday and East Texas Giving Day.

MISSION

The Texarkana College Foundation seeks to support and uphold the mission of Texarkana College by providing accessible and affordable higher education through securing charitable gifts and grants in support of the college's funding priorities.

GIVING OPPORTUNITIES

The Texarkana College Foundation funds numerous scholarships and special projects for Texarkana College students. In 2022, the Foundation funded 478 scholarships totaling \$524,103. We received scholarship applications for 796 worthy students, so we continue to fundraise to close this gap. With tuition prices at approximately 30% of Texas public university and 10% of a Texas

private university, your donation goes a long way at Texarkana College.

In early 2023, we will open the doors of our new McCulloch Industrial Technology Center. The new building will house our existing programs in Electrical Technology and Air Conditioning & Refrigeration (HVAC) in a state-of-the-art learning facility for TC Students. It will also provide the space for a centralized TC Data Center. Providing a trained workforce for our community is our top priority.

Texarkana College continues to be a leader among Texas Community Colleges with graduation rates in the top five and the highest percent of degrees and certificates awarded to African American students in Texas.
