Smells Like Home

There is no better feeling after a long day than walking into a fantastic smelling home. Add children and pets into the mix, and this is sometimes difficult to achieve. They both tend to track in outside dirt and have odors that aren't always pleasant. There are so many great ways to keep your home smelling incredible. Here are a few products sold locally that can help you achieve your goal!

THROUGHOUT THE HOME

These reed diffusers are perfect for spaces large or small! They diffuse fragrance through the reed tips for up to three months. The Champagne scent has hints of fresh orange and mandarin zest paired with raspberry and Tuscan lemon sparkle.
